FYI – I think we can do as Jeananne suggested on the approval notice. Regs just say contact secretary. See attachments as clean copies – I did not upload to sharepoint as I was nervous the last version I saw was 12/11 so.....to avoid my screwing things up.....

Sorry to pester you but I'm still not sure I have the latest letter

This is what I found for the letter to the Corps notifying them of decision but it was last dated 12/11

Ex. 6 Personal Privacy (PP)

And then there is the one you sent me re thank you for comments that I saw in sharepoint.

Ex. 5 Deliberative Process (DP)

I've accepted changes and fixed a typo and reattached them all here. I did not upload to sharepoint because I was not sure I had the latest versions of the decision letter!

Julie,

Tom asked that I send these for you to review and start prepping for routing. The routing process should be abbreviated on these Rosemary>Tom>Mita>Pam>Jeanneane. Hold off on actually routing until Tom gets clarity on the process (whether we route as bundle, individually, etc).
